7:01 PM wait, I can't crash there cause you've got guests, right?
I'm on the fence now
7:04 PM actually should stay in, didn't sleep last night, gonna eat, play tropico 3, continue to detox
Mirna: you can crash if you want
i'll actually be in brooklyn tonight
call me if you change your mind
me: word
Mirna: no one is sleeping at my place tonight but my bro
me: anyway, I have tropico 3 for future reference
7:05 PM **Mirna**: YAY!!

33 minutes

7:38 PM **Mirna**: ok here is what you do
you need to start making demands of sarah james
say you don't use your contacts in government lightly
and you need her to answer certain question
s
get 3 more emails out of her
and then post it on a blog
7:39 PM for hilarity

how could "she" know what etc means (1st email) but not lol?
hahahaha
get her to answer those questions and get her to make demands for money, specific amounts
it will make the piece so much better

7:40 PM and you can always doctor the emails a little bit to make the piece even funnier

7:42 PM **me**: I would never doctor them, it would violate my non-existent code of ethics
anyway, I am too good to doctor

7:43 PM I will handle the slut with great dispatch
you may rest assured lol etc

Mirna: i love you

me: !

Mirna: this is going to be HILARIOUS

9 minutes

7:52 PM **Mirna**: http://www.geekologie.com/2008/11/good_idea_man_submits_drawing.php

7:53 PM so funny she sends it back!

7:57 PM **me**: that's pretty two years ago, sweetheart

7:58 PM **Mirna**: so funny

8:01 PM **me**: I bought three giant bags of candy and ice cream and cookies and then ate a bunch of them
and then I had to eat a bran muffin to cancel out the sugar

Mirna: well that's way less gross than being a junkie like straub

me: I'm off the dope, though
he's gross anyway

8:02 PM one can be a non-gross junkie

Mirna: no barrett. i've never met one

me: junkies move undetected
you wouldn't know them
you think they knew I was a junkie when I went on Fox?

Mirna: well it shows on you babe :(

me: not a single one of the hundred thousand people watching were like, "That guy's a junkie."

8:03 PM you know what's even worse, though?

Mirna: what

me: FROWNY FACES THAT SPIN AROUND AND CRY
looks like fucking Straub

Mirna: HAHAHA

me: he spins around and cries all day
scott, too
fucking Cody Pritchard city over here

8:04 PM **Mirna**: GROSS

8:05 PM **me**: what I've learned over the past few months
is that if I have a weak male child
I'm going to beat it
8:06 PM emotionally weak, rather
Mirna: just dont have one
strength can be taught
me: I won't
Mirna: absentee or over doting parents
can create a giant baby
just make sure he always does things for himself
and hurts himself
and fails
and picks himself back up
that makes strenght
i am so naturally good at breeding its scary.
going to brooklyn now
8:07 PM call me if you wanna go out
me: word
Mirna: i love you
<3
me: tuv tuv kawaii desu ^___^
